REVEREND JOHN R. EVANS, PASTOR

Dear Sister/Brother in Christ,

May the Holy Spirit guide and strengthen you this week.

A Rabbi told his son, about to be married. “My son, the day of your wedding, get an empty jar, and a bowl full of marbles. Each time that you and your wife . . . ’consummate’ your relationship, put a marble into the jar. Keep doing that until your first anniversary. Then, get rid of the bowl. After your first anniversary, each time you and the Mrs. perform the marital act, remove a marble from the jar. Son, I tell you, by the time you or she dies, there will still be marbles in that jar.”

Now, I was bold. I actually asked a married friend of mine about that story. She has been happily married for almost ten years now. She told me, “That story is not true in my marriage. My husband and I have always been very attracted to each other. The fire has not died down one bit.” I asked her what her secret was. She told me. I could hardly believe my ears. https://creightonmodel.com Three words. Natural. Family. Planning. (NFP)

This scientifically developed method (not the outdated rhythm method) enables my friends to plan their family prudently and generously. They have two children, two wanted children. In a year or two, they will try for a third. They enjoy confidence, clear consciences, a healthy physical relationship, and none of the side effects associated with “the Pill.” Yep! It’s NFP week! Or, as we say, Fertility Awareness Week.

To those of you who have discovered this “best kept secret,” thank you so much for your witness! Know that I and my brother priests are here for you and pray for you daily.

To my friends who may be less convinced, like Jesus Himself, I have not come to condemn. I only invite you to consider that, perhaps, Christ and His Church might be right on this one. Just let me know, and Catholic healthcare will help you every step of the way.

To my more mature friends who remember the ineffective rhythm method of the past, please be assured that technology has progressed to the point that now, NFP can be as effective as the pill. Feel free to tell your children and grandchildren.

My wager. Take the class (information is further back in this bulletin). If you practice it for two years, and see no improvement in these areas, I will refund the money you have spent. Prove me right!

Here is an image of THE most loving and fruitful marriage the world has ever known.

Until next week, I remain,

Yours in Christ,

Fr. Evans

ST.JOSEPH CHURCH,
UMON OKON, NIGERIA

As you may already know, the Church that currently serves the Catholic community in Father Simon’s home village in Nigeria is in bad shape. Because of St. Joseph Church’s age and construction type, it is not a comfortable or safe place for the local villagers to worship. Among its many challenges, the Church’s roof leaks and it is subject to insect and termite infestation … it is well past its useful life. It is time for a new St Joseph Church!

For the past several years, with the help and direction of our beloved Father Simon, time, talent and treasure have been generously donated by St. Thomas parishioners and extended family & friends. Significant work has been completed and the new Church is taking shape. **We sincerely thank all who have already given!**

While we are getting close to the finish line, we are not done yet. **In order to be able to open the NEW St. Joseph Church doors in time for 2020 Easter Mass, we are in need of an additional $250,000.** These funds are necessary for things such as a finished Altar, flooring, pews, windows, finished walls and an HVAC system to name but a few.

Over the coming months you will be able to stay current on the progress of our mission:

*In the narthex on the Building4God Project Banner or TV Monitor  *In the Weekly Bulletin

*At [www.building4god.com](http://www.building4god.com)*

Please consider picking up a donation envelope available near our Building4God Project Banner in the Narthex at the Oak St. Church

**Much needed** tax-deductible donations can be made directly at [www.building4god.com](http://www.building4god.com) or via mail at:

UNA MENTALIDAD DE SERVICIO

Hay varios viajes, entregas y visitas que pasan en las lecturas de hoy. En el libro del Génesis, Abraham atiende las necesidades de los tres viajeros misteriosos. La respuesta del salmo, celebra la justicia que Abraham practica. Entonces, en su carta a los coloseenses, san Pablo describe su propio ministerio como algo que es para darse como servicio: él, administrador de Dios, trae la palabra de Dios a su comunidad. Finalmente, el Evangelio de Lucas, comparte la historia bien conocida de Marta y María, y la manera diferente como recibieron en su casa a Jesús. En medio de todo este trajinar, se nos invita a poner atención en las formas que atendemos las necesidades de los demás. Cada uno de nosotros podemos preguntar, ¿cómo presento mi vida a Dios y a otros?

“To understand more fully how to defend and protect human life, we must first consider who we are, at the deepest level. God creates us in His image and likeness, which means we are made to be in loving relationship with Him. The essence of our identity and worth, the source of our dignity, is that we are loved by God.”
