Let’s look at the four kinds of vicious pride. The excessive “look at me” pride is called the pride of vanity. If the “look at me” person does not receive the adulation he/she wanted, then it’s possible that we witness pride of sensitivity, also called pride of touchiness or thin skin. People with this kind of pride always think “worst case scenario.” They worry about things that need not be worried about. The slightest snub or joke makes them angry (anger will be treated in a week or two).

We have a lot of executives in this beloved county of ours. Executives can easily fall into the pride of authority, also called the pride of bossiness. Of course, no one faults a boss for being a boss, but do you know that one person who treats everyone like a servant? That’s pride of authority.

The opposite of authority is pride of timidity. While pride of vanity relishes the attention, timidity fears it excessively. It is easier to tear down than to build. It is easier to criticize the leader than to lead. My fellow executives, we feel this pride. No one wants the responsibility, but everyone has an idea how to do the job better.

Most people, when they read about the different kinds of pride, think “Oh yeah, that’s Bill! … Oh, that’s Susan! Haha, that’s Joe…. Darnit! THAT is ME!!” We all have at least one… Knowing there’s a problem is the first step to recovery. Until next week, know that I remain

Yours in the Heart of Christ,
Fr. Evans

Dear Sister/Brother in Christ,
May Christ, Who fasted forty days, guide and strengthen you this week!

You who are engineers and architects could help me with this analogy. I am told that, before the invention of the steel beam, a building could only be built as tall, as it’s basement/foundation was deep.

The saints tell us that our love can be only as high as our humility is low. If we want to reach the perfection of charity and become saints, we must build a deep foundation. The foundation is humility, the opposite of pride. Let’s start with what pride is not. It is not a happy feeling from accomplishing a difficult task. It is not what I feel when I look at a crucifix and say, “You did this… for ME!!” That’s the “good pride” of gratitude. When I was in college, the mascot of THE Catholic University of America (CUA), was the Cardinal. We were the cardinals. People would speak of “Cardinal Pride.” Also, not a vice; we should be proud of our schools!

Let’s look at the four kinds of vicious pride. The excessive “look at me” pride is called the pride of vanity. If the “look at me” person does not receive the adulation he/she wanted, then it’s possible that we witness pride of sensitivity, also called pride of touchiness or thin skin. **Sign of Peace & Coronavirus**
The sign of peace is an integral part of our preparation for Holy Communion. It is an acknowledgement of one another as brothers and sisters in Christ, and an expression of our commitment to the communion which we are about to share. The standard liturgical sign of peace is the shaking of hands. If you feel uncomfortable shaking hands due to the flu or coronavirus, simply fold your hands in front of you and nod to the other person, saying “peace be with you”. Those receiving this gesture will understand and respond in turn.

The St. Joseph Novena - Say this prayer every morning for nine days, beginning on March 10th

O Saint Joseph, whose protection is so great, so strong, so prompt before the throne of God, I place in you all my interests and desires.
O Saint Joseph, assist me by your powerful intercession and obtain for me from your Divine Son all spiritual blessings through Jesus Christ, Our Lord; so that having engaged here below your heavenly power, I may offer my thanksgiving and homage to the most loving of Fathers.
O Saint Joseph, I never weary contemplating you and Jesus asleep in your arms; I dare not approach while He reposes near your heart. Press Him in my name and kiss His fine head for me, and ask Him to return the Kiss when I draw my dying breath. Amen
O Saint Joseph, hear my prayers and obtain my petitions. O Saint Joseph, pray for me. (Mention your intention)
Cuaresma es cambio y cambiar no es fácil. Para poder cambiar debemos dejar algo atrás. Hoy escuchamos acerca de un hombre muy viejo que decide responder al llamado de Dios. Abram atraviesa por una tremenda cantidad de cambios cuando todo lo deja y lo arriesga por la promesa de Dios. Jesús cambia, se transfigura, justo delante de los ojos de sus discípulos. Las escrituras en Cuaresma nos llaman a cambiar, a ser transfigurados, para que también nosotros pronto participemos en la gloria de Dios. ¿Qué nos pide Dios dejar atrás? ¿Estamos dispuestos a arriesgarlo todo por la promesa que Dios hace? Estas son las preguntas centrales en el camino de conversión de la Cuaresma.

**Grupo de Jóvenes**

Invitamos a todos los jóvenes, a partir de los 13 años de edad, a formar parte del grupo. ¡Ven, atrévete a conocer más a Dios! ¡Te esperamos!
